☐ Upper Front

☐ Lower Right

☒ Lower Left

☐ Lower Front

MEDICAL/DENTAL HISTORY

Current Allergies

No Known Drug Allergy

Medical:

Dental:

crown #19 has fractured off with the tooth inside of it

inmate was already sched to have the crown recemented

since the tooth broke off inside of the crown, it appears that the inmate had tried to recement the crown back by himself, because he showed me the crown in his hand, when seen previously on pod, and there was not a tooth inside of it.

refused ext #19

signed paper refusal form

OBJECTIVE

X-Ray

☒ None☐ Panoramic☐ PA☐ Bite Wing☐ TMJ

PA x
